Prescribing Practitioner Acknowledgment

Federal (USA) law restricts (and state law may restrict) this medical device to sale or use by or on the order of a physician or other practitioner licensed in the state in which this medical device is used or ordered (a "Prescribing Practitioner"). Customer and Customer's Prescribing Practitioner are solely responsible for the use and operation of this medical device in accordance with all applicable laws and regulations, and medical and treatment guidelines, and for ensuring that each operator of this medical device is adequately trained and qualified to use and operate this medical device safely and properly in a clinical setting and to perform medical procedures in accordance with such laws, regulations and guidelines. Thermi makes no representations or warranties regarding federal, state or local laws or regulations, or medical or treatment guidelines that might apply to the use and operation of this medical device. Customer and Customer's Prescribing Practitioner are solely responsible for contacting state and local licensing agencies regarding requirements applicable to the use and operation of this medical device. Use of this medical device involves certain risks of injury to patients. Customer and Customer's Prescribing Practitioner are solely responsible for ensuring that patients are informed of these risks. Improper use of this medical device may increase the risk of injury to patients.

Definitions. "Authorized User" shall mean a Licensed Physician, or professional with substantial medical education and training, who both: (a) possesses the training and qualifications required by applicable law to use the Products in accordance with this Purchase Agreement (the "Agreement"); and (b) has successfully completed all training required by ThermiGen, LLC. (dba THERMI) ("Seller") regarding the safe and proper use of the Products. "Country of Use" shall mean, with respect to each Product, the country to which such Product was originally shipped by Seller to Buyer. "Licensed Physician" shall mean a medical doctor in good standing that is licensed to practice medicine in the relevant jurisdiction at the time of the sale of the Products. "Products" shall mean all products, supplies, systems, documentation, training and other items purchased from Seller by Buyer.

Sale. When signed by Buyer, this shall be a binding contract for the purchase and sale of the Products and/or services described above. This Agreement consists of the terms and provisions and the Prescribing Practitioner Acknowledgment above, and these Terms and Conditions.

Prices and Payment. All prices are subject to change in the event of untimely payment by Buyer. Payment is due in full upon installation by Seller unless Seller requires payment in advance. Deposits are non-refundable after shipment. Interest will be charged at the rate of 18% per year (but not more than the highest rate permitted by applicable law) on accounts more than 30 days past due.

Subscription. If specified as a Subscription, Buyer agrees to pay an agreed fee at agreed intervals over an agreed term. In exchange, Seller agrees to provide Buyer with certain agreed upon discounts over the term. Buyer maintains responsibility to Seller to pay for subscribed products at the agreed fee and interval for the term.

Security Agreement. To secure the purchase price AND until balance is paid in full, Buyer hereby grants Seller a first-priority security interest in the Products, and the proceeds thereof, purchased pursuant to this Agreement. Buyer grants Seller a limited power of attorney, coupled with an interest, to execute financing statements and other documents or to take any other action in the name of Buyer necessary to perfect the security interest granted herein. Buyer unconditionally agrees to execute such other or additional documents as may be necessary for the enforcement or protection of **Taxes and Other Charges.** Buyer shall pay all taxes, fees, duty, levy, or charges imposed by any governmental authority. Applicable sales taxes will be invoiced unless Buyer supplies a valid tax-exempt certificate prior to delivery are fully insured for the benefit, and at the expense, of Buyer. All delivery dates are approximate. Seller will deliver in one shipment when possible, but reserves the right to make delivery in installments if necessary.

Delivery and Claims. For all purposes of this Agreement, title and risk of loss shall pass to Buyer, and delivery shall be deemed completed, upon Seller's tender of the Product to a common carrier. All shipments necessary. All such installments will be separately invoiced and shall be payable and due as provided therein. In the event of unreasonable delay in delivery for any cause or reason, which is not cured by delivery within twenty-one (21) days after receipt of written notice from Buyer, Buyer shall be entitled to cancel this Agreement and receive a refund of any monies paid to Seller. The foregoing shall be Buyer's sole remedy for unreasonable delay or failure to deliver, and Seller shall have no other liability whatsoever to Buyer for any such delay or failure to consent to such sale, donation or transfer, such consent not to be unreasonably withheld. Buyer understands and acknowledges that the proposed transferee will be required by Seller to enter into a Purchase. Buyer may not sell, donate, or otherwise transfer any Products to any other person or entity unless Seller has provided its prior

Restrictions; Recertification; Remedies; Adverse Patient Event Notification. Agreement including Seller's then-current Terms and Conditions solely for use of such Products in the Country of Use. Seller reserves the right to require the proposed transferee to obtain, at transferee's expense, training from Seller and inspection of the System and recertification that the System is within original specifications prior to the execution of said Purchase Agreement. The Products shall be used only by an Authorized User in the Country of Use, and any other use constitutes a material breach of this Agreement. ALLOWING THE USE OF ANY PRODUCTS BY PERSONS OTHER THAN AUTHORIZED USERS UNDER THE ACTIVE SUPERVISION OF A LICENSED PHYSICIAN MAY VIOLATE APPLICABLE LAW AND MAY ENDANGER PATIENT SAFETY. For the purposes of clarification, "active supervision" shall mean having a Licensed Physician available during the performance of any procedure using the Products. With respect to any Authorized User that is not an employee of Buyer, Buyer shall bind such Authorized User to the terms and conditions of this Agreement. Buyer agrees and warrants that: (i) it will use the Products only for their intended and approved uses and in accordance with all Seller documentation, and any updates, revisions, and technical bulletins related thereto; and (ii) it will ensure that its employees, agents and any other users of the Products will comply with all terms and conditions of this Agreement and all documentation in their use of the Products. Buyer may not export or re-export any Products, or any software contained therein, without (i) the prior written consent of Seller and (ii) all necessary United States and foreign government consents, licenses and authorizations. Buyer shall indemnify, defend and hold Seller harmless from and against any and all liabilities, losses, damages, settlements, claims, actions, suits, penalties, fines, costs and expenses (including, without limitation, reasonable attorneys' fees and other expenses of litigation) incurred by Seller, relating to, arising from or occurring as a result of any breach or alleged breach of the terms of this section. Seller reserves the right not to provide the Products to any entity or person that it reasonably believes is using the Products in violation of the terms of this Agreement, including the restrictions set forth above. WITHOUT LIMITING THE FOREGOING, SELLER RESERVES THE RIGHT TO NOT SELL ANY PRODUCTS NECESSARY FOR THE CONTINUED USE OF ANY PRODUCTS PURCHASED PRIOR BY BUYER IF SELLER REASONABLY BELIEVES THE PRODUCTS ARE BEING USED IN VIOLATION OF THE TERMS OF THIS AGREEMENT. If a potential adverse patient event has occurred with respect to the Products, Buyer shall notify the Seller within 48 hours of the event. Any notice to Seller shall be submitted to the Seller's Customer Service Department.

Changes to Products. Seller may from time to time change the design or construction of its Products. In the event the Product and model purchased hereunder is changed prior to delivery, Seller shall notify Buyer, and Buyer shall be entitled to accept the changed Product or cancel this Agreement as to that Product only and receive a refund of any monies paid to Seller in respect thereof. The foregoing shall be Buyer's sole remedy for any change to the Product and model purchased hereunder prior to delivery, and Seller shall have no other liability whatsoever for any such change.

Limited Warranty. Except as may be stated on page 1 of this Agreement or in these Terms and Conditions, Seller warrants that Products manufactured by them will be free from defects in materials and workmanship and will conform in all material respects to Seller's technical specifications (expressly excluding consumable or disposable components or accessories, which have the warranties included therewith). The foregoing Limited Warranty shall continue for a period of time specified in on page 1 of this Agreement, or if no such period is specified, for twelve (12) months from the date of Buyer's receipt of shipment of the product. During the warranty period, Products will be repaired or replaced at Seller's sole option. Such repair or replacement shall be Seller's sole obligation and Buyer's sole remedy hereunder, and shall be conditioned upon Seller receiving written notice of such claimed defect within ten (10) days after its discovery and, at Seller's option, return of such products to Seller, F.O.B. Seller's facility. The foregoing Limited Warranty shall be void and of no effect if: (a) anyone other than Seller or a person acting on Seller's express or written instructions, removes a Product casing or makes or attempts to make any modifications, repairs, attachments or additions to the Product, or installs or moves a product for which installation is required by Seller; (b) the Product is not maintained or operated in accordance with Seller's instructions, or has been subjected to misuse, abnormal conditions or negligent handling or operation; or (c) the Product is resold, leased or rented to or for the use by any person other than the original Buyer. Except as may be stated on page 1 of this Agreement, used and refurbished Products do not have any warranties, and Products not manufactured by Seller only have such warranties (if any) as may be provided by the manufacturer.

Exclusions. No representation or warranty shall arise from any description of, or claims regarding, the Product or its effectiveness or ability to achieve any particular clinical result(s), whether written or oral, contained in specifications, samples, bulletins, marketing or promotional materials or similar statements made or furnished to Buyer by any person. Use of the Product requires the exercise of sound medical judgment, and clinical results may vary based on operator skill and experience, patient suitability, patient response to treatment, and other factors beyond the control of Seller. Seller makes no representation or warranty of revenue or profits from use of the Product, and no such representation or warranty shall arise from projections, studies, illustrations, marketing or promotional materials, or other statements or materials made or furnished to Buyer by any person.

WARRANTY DISCLAIMER. THE ABOVE LIMITED WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER REPRESENTATIONS AND WARRANTIES OF SELLER, EXPRESS OR IMPLIED, WRITTEN OR ORAL; SELLER DISCLAIMS AND EXCLUDES ANY IMPLIED WARRANTY, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL SELLER BE LIABLE FOR LOSS OF USE, LOSS OF PROFITS, PUNITIVE DAMAGES, ATTORNEY'S FEES AND EXPENSES, CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES, OR ANY OTHER DIRECT OR INDIRECT DAMAGES WHATSOEVER.

Inspection and Returns. Buyer shall inspect each product and read the owner's manual (and accompanying documentation) upon arrival and shall, within twenty (20) days after receipt, give written notice to Seller of any error or claim that the Product does not conform with the terms of this Agreement. Partial shipment by Seller shall not constitute a basis for a non-conformity claim by Buyer. Buyer's failure to give such written notice shall constitute Buyer's unqualified acceptance and waiver of all non-conformity claims, including any right to revoke acceptance. Orders may not be cancelled after delivery, and delivered products may not be returned without Seller's prior written consent, and at Seller's sole discretion. No acts on the part of Seller, including but not limited to, Seller's receipt of a returned Product from Buyer, shall constitute Seller's approval and acceptance of a returned Product or cancelled order, unless Seller has provided its prior written consent to Buyer.

Patents, Trademarks and Copyrights. Seller will, at its own expense, defend any suits which may be instituted by anyone against Buyer for alleged infringement of any United States patent, trademark or copyright relating to any products manufactured and furnished by Seller hereunder (without modification, alteration or improvement), expressly provided that: (a) such alleged infringement consists solely of the use of such Products, or parts thereof, in Buyer's business for any of the purposes for which the same were sold by Seller; (b) Buyer shall have made all payments then due hereunder; (c) Buyer shall give Seller immediate notice in writing of any such suit and transmit to Seller immediately upon receipt all processes and papers served upon Buyer and shall give all needed information, assistance and authority to enable Seller's defense of such suit; and (d) Buyer shall not make any compromise or settlement without Seller's prior written consent, and (e) such suit does not include claims for infringements of combination or process patents covering the use of the Products in combination with other goods or materials not furnished by Seller, or claims for infringement of patents covering methods of use not recommended by Seller, or claims arising from any modifications to Seller's Products by Buyer or third parties. The foregoing states the entire liability of Seller for infringement, and in no event shall Seller be liable whatsoever for consequential damages attributable to any alleged or actual infringement.

Proprietary Rights. The purchase and sale of the Products hereunder to Buyer shall in no way be deemed to confer upon Buyer any right, interest or license in any patents, patent applications, designs, copyrights, trademarks, service marks or trade names Seller may have covering the Products. Seller retains for itself all proprietary rights in any way pertaining to its Products, including the sole right to manufacture such Products. Buyer warrants that it will not, and will not permit or assist any other person or entity to, divulge, disclose, or in any way distribute or make use of such proprietary information, and that it will not, and will not engage, permit or assist any other person or entity to, modify, reverse engineer or manufacture any such Products.

Limited Trademark License. Seller grants to Buyer a limited, non-exclusive, royalty-free license to use within the United States, and only on or in relation to the distribution, use or sale of the Products, the trademarks and logos included are the following: INJECTABLEENERGY™ - 86/318,981; INJECTABLEERF® - 4,690,139; LUXE BY THERMI™-87-058,481; THERMI® - 4,872,076 and 4,872,077; THERMI250™ - 86/829,354; THERMIBREAST™-87/150,457; THERMIDRY® - 4,602,979; THERMIEYES® - 4,776,759; THERMIRASE® - 4,602,614; THERMIRF® - 4,602,613; THERMISMOOTH® - 4,621,262; THERMITIGHT® - 4,602,616; THERMIVA® - 4,602,983 (the "Trademarks"), for the purposes only of, and only to the extent necessary for, exercising Buyer's rights and performing its obligations under, and during the term of, this Agreement. Buyer shall use the Trademarks in compliance with all instructions and guidance provided by Seller and shall not, directly or indirectly, by any express or implied act or omission, do anything which would or might invalidate the Trademarks, prejudice their distinctiveness or validity or the goodwill of Seller therein, or use any trademarks or trade names confusingly similar or similar to or resembling the Trademarks. Buyer shall not alter or edit the Trademarks in any manner in any media format. Buyer shall not invent or use different procedure names for any Product. Buyer shall not use any Trademarks, including "Thermi", in connection with a domain name without written authorization from Seller. Buyer agrees to transfer to Seller any domain name that includes a Trademark, including "Thermi", for the original purchase price within thirty (30) days.
